Dear Parents/Guardians:

As you may already know, two of our students were injured Wednesday in what police believe to be a gang-related incident that occurred after dismissal in an off-campus wooded area.

At the time, we instituted secure-the-building precautions to ensure the safety of any students or staff who remained in the school. The precautions were quickly lifted and no one inside the school was ever in any danger.

Police have reportedly arrested four suspects in the case.

Arrests or violent acts involving students and possible gang activity are always disturbing, but please rest assured that we continue to work closely with Prince William County Police to keep our students, staff and school safe at all times.

Thank you for continuing support.

Sincerely

Robert Eichorn
